(vi) **Institutional set-up for liquidity risk management**

The Company has a robust risk management system in place. To ensure the smooth functioning of the operations, the company maintains adequate liquidity in the form of deployment in Debt MF Funds, Cash and Bank Balances. The Company has the Board Level Risk Management Committee and Asset Liability Management committee (ALCO), which reviews or monitors Asset Liability Management (ALM) mismatch. ALCO conducts periodic reviews relating to the liquidity position and stress test assuming various what if scenarios. The ALCO is responsible for ensuring adherence to the limits set by the Board as well as for deciding the business strategy of the Company in line with the Company's budget and decided risk management objectives.

Note: The Company being a Non-Deposit taking Non-Banking Financial Company registered with Reserve Bank of India does not accept public deposits. Also the Company did not have any lending during the period.
